Subject: Revised Rosemont Presentation for tomorrow's briefing
Attachments: 04-25-17 Rosemont Briefing_Presentation_clean.pptx

Hi all,

Attached is the presentation for tomorrow's briefing, revised per Kathleen and Nicole's requests and notes.

Jason, although our focus is squarely on NEPA tomorrow, a good chunk of this presentation still pertains to CWA 404. I apologize that there was not time to run this through you for a round of edits. If you see any major error, please flag it for our attention. All of the 404-related content was pulled from previous briefing materials, so I don't imagine there should be any such issues.

Thank you.

-Carter
